entire school community. Clothing students might wear in social settings or outside of school may not be appropriate to wear to school. We want all students to be dressed appropriately for a successful and safe learning environment.

Please wear the following:

- Clothing that is not see-through and covers a student's undergarments, chest and torso when standing or sitting. Clothing should have a back and straps and should fit closely under the arms.
- Clothing that is of adequate length to cover the bottom at all times.
- Clothing that has appropriate language. Clothing should be free from references to violent images, tobacco/vaping, drugs, alcohol, sexual references, profanity, or language that demeans others is not allowed.
- Appropriate footwear for a safe learning environment. When selecting footwear, students should be responsive to the specific safety needs of each school and/or classroom, as determined by the teachers and administration.

Headwear may be worn on campus, but please remove them in the building or classroom if asked by a staff member.

If there is a concern regarding student dress, a staff member will ask the student to go to the front office to address the issue. The student and a front office staff member will discuss the concern, and if deemed necessary, the student will be provided appropriate clothing to change into or may wait in the office for appropriate clothing to be brought to the student.

		Administration will also have a discussion with the student regarding how to create an environment for success as well as potential consequences if there are further dress code concerns. Requests for exceptions to the dress code should be brought to the school administration.
